

How to fit **DEPEND® REAL FIT® Underwear**

1

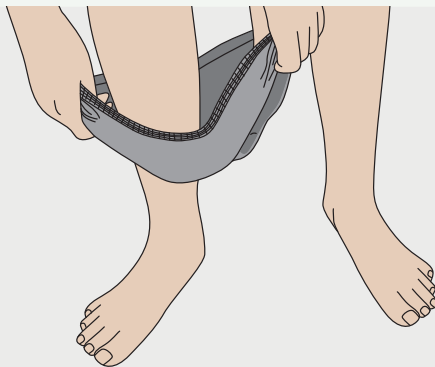

Begin by gathering from the waistband down to the leg elastic

2

Bunch the gathering within the palm of your hand, holding firm the gathering

3

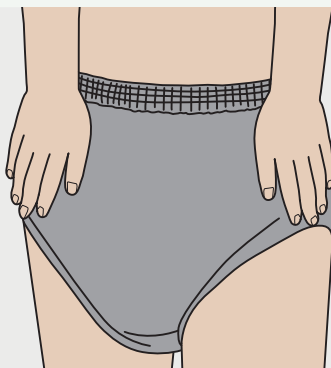

Feed the feet through each leg opening, one by one

4

Pull the underwear up while still keeping the gathering within your palms

5

Pull over the pelvic area to fit and smooth the underwear out for comfort

Tip

- Due to the soft cotton-like fabric, take care not to put your fingers through the body of the underwear
